MEMORANDUM FOR: Deputy Director for Plans
Deputy Director for Intelligence
Deputy Director for Science & Technology
Deputy Director for Support
Inspector General
General Counsel
Director, BPAM
D/DCI/NIPE

SUBJECT : A Review of the Report and Hearings by a
Subcommittee of the House Armed Services
Committee on the Aerospace Corporation

I am forwarding herewith a copy of a review which has been prepared by the Office of Legislative Counsel. His office will be glad to provide a copy of the full report if you need it. It seems to me that the principal observation we might make from this report is that the Subcommittee considered Aerospace a creature of the Air Force and therefore held the Air Force responsible for its deficiencies. This same principle would of course apply to the many proprietary organizations in which the Agency has an interest.
